## Kassel Technology - Powerful Website Design

Tired of looking at your old site, or ready for your first one?

Kassel Technology boasts of the best and the brightest Web Designers in the industry. With their unique blend of creativity, technology savvy ness, and flexibility, they can create the most interactive and fully functional sites or customize/update existing pages for you.

### Design Expertise:

We utilize a full range of tools and design technologies to meet your needs and give you your competitive advantage.

Dreamweaver  
Adobe Photoshop  
Graphical User Interface (GUI)  
Logo design & development  
Illustrator  
Macromedia Flash  
Flash animation  
Static and animated banners  
3D Studio Max  
Gallery design  
Swift 3D  
ImageReady  
Corel Draw  
Creative Banners  
Post Production Evaluation

### Focus Areas in Design:

We don't take any chances, when it comes to your website. We concentrate on several site aspects to make sure your website is not only running, but it is at its optimum level of performance.

Efficient site flow and navigation  
HTML integration with backend technologies  
Browser Compatibility Testing  
Best User interface design

### Custom Design:

Custom fit to meet industry standards as well as make it stand-out. Our Designers will not only make your website, but incorporate e-commerce solutions to it so that it clearly embodies the mission/vision of your site.
