Last Updated Wednesday, 24 January 2007

POP Server: pop-server.ca.rr.com
SMTP Server : smtp-server.ca.rr.com

Your email will now be at:
@ca.rr.com instead of @comcast.net

However, any email sent to your old @comcast email account will be forwarded to your new @ca.rr.com account for about one year, according to Time Warner.

More information can be found at <http://help.rr.com>
